Technical Assistance Past Performance

NYC Civic Engagement Commission: Grant Administration, Community Engagement, and Fiscal Sponsorship (contract value: \$400,000)

BPC was awarded 3 contracts with the NYC Civic Engagement Commission to provide grant administration, technical assistance, and grant compliance fiscal sponsorship for the People's Festival, Participatory Budgeting and Civil Engagement initiatives. Interfaced with over 50 community based organizations to manage all aspects of accounts payable, maintain fiscal compliance, budget analysis, and financial reporting. Duration of Project: 2021 to Present
Reference: Ms. Wendy Trull, Senior Advisor, NYC Civic Engagement Commission, wtrull@civicengagement.nyc.gov, 917-679-4943 (no CPARS available)

NYC Department of Social Services: TRIE Citywide Network Administrator - Grant Administration, Community Engagement, Compliance (contract value \$3.2 million)

BPC was engaged by the Civic Engagement Commission to serve as the Citywide Network Administrator for the Taskforce on Racial Inclusion and Equity. BPC provided grant administration, financial management, as well as, managed the deliverables of 33 community based organizations to create culturally competent solutions for each respective neighborhood's identified priorities to address community and City matters such as civic engagement, mental health, and COVID pandemic recovery. Significant grant compliance responsibility. Provided grant administration services for \$5 million. We provided program management, technical assistance, compliance, data and research for over 40 community based organizations throughout all five boroughs of New York City. Duration of Project: April 2021 - June 2022

Reference: Ms. Wendy Trull, Senior Advisor, NYC Civic Engagement Commission, wtrull@civicengagement.nyc.gov, 917-679-4943 (no CPARS available)

The Meyer Foundation, Washington DC - March 2022 through March 2024, current engagement (contract value: \$450,000)

The Meyer Foundation Fund for Black-led Change engaged Bridge Philanthropic Consulting to build the capacity of four grantee partners. Each grantee partner has a different set of technical assistance needs. To ensure the ongoing operational and fiscal sustainability of the grantee partners, BPC provides each organization with customized technical assistance in the following areas:

- Assess each grantee partner's needs and build an organization-specific plan to strengthen each grantee partner's on-going operations, infrastructure and fund-raising capacity;
- Strategic Planning for program and business development;
- Board of Director and Staff development and training;
- Marketing and communications.
